### Golf ClubSox

Does your dad's clubs have dull boring headcovers? If that's the case, we recommend Golf ClubSox. They are knitted in the USA with 100% wool crepe. ClubSox head covers are durable, easy to clean and they stay where they're supposed to – on your clubs! Not only that, they are attractive, fun and add personality and fashion to your bag. All of their Sox are customizable so your dad can show his own personality, whether he is matching his bag, supporting his favorite team or just having fun sharing his style on the course. It's very easy to hop onto their easy-to-use custom club designer, pick a pattern, background color, main color and accent color. Then he can select the club numbers he needs. Super easy right.

Head over to [golfclubsox.com](http://golfclubsox.com) and check out all their designs and what they have to offer. They have a special promo code going on now through the 15th. Just type in "sox4mom&dad" to receive a 20% discount at checkout.
